

Help Create The Mill Towns State Trail

Mill Towns State trail will:

- Connect Cannon Falls (Cannon Valley Trail) and Faribault (Sakatah Singing Hills Trail)
- Provide 26 miles of off road trail
- Highlight 30 mills that once existed along the Cannon River between Faribault and Cannon Falls

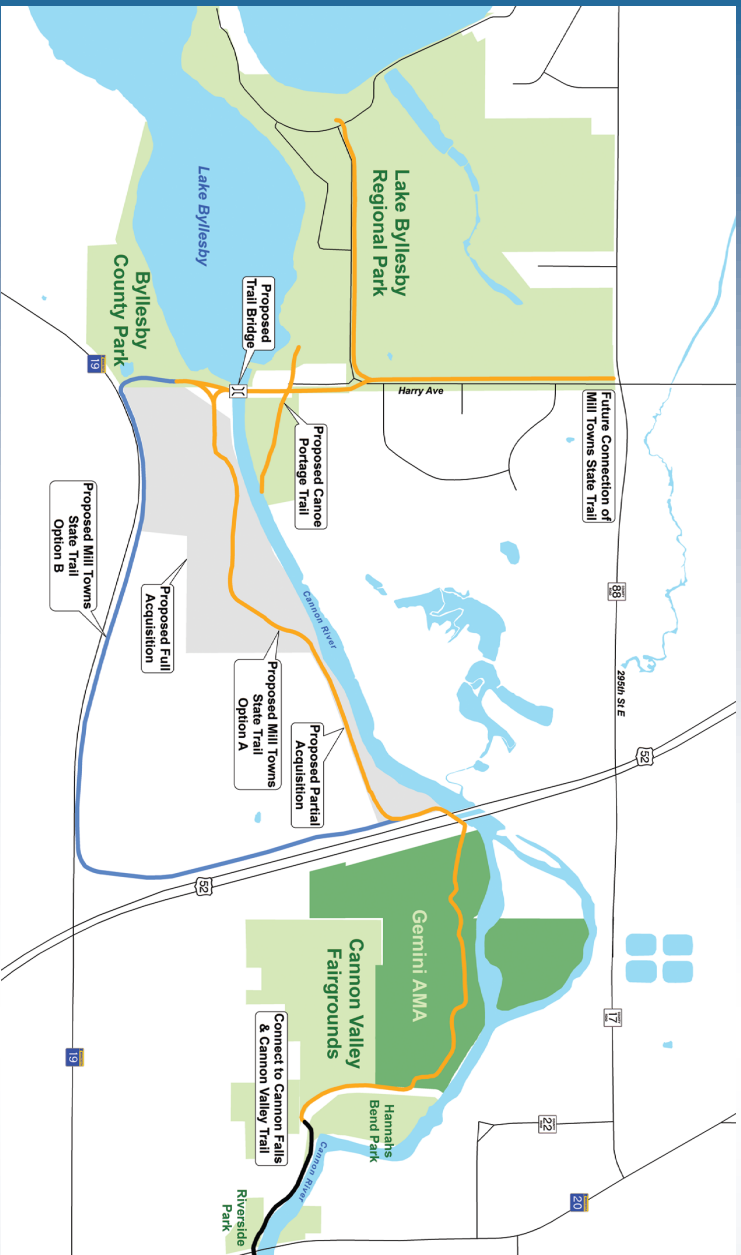

We need funds now to:

- Help build a bridge next to Byllesby Dam
- Purchase riverfront property between Cannon Falls and Lake Byllesby Regional Park
- Resurface existing 3 miles of trail between Northfield and Dundas

Project partners include:

- Parks and Trails Council of MN
- MN Department of Natural Resources
- Federal Transportation and Recreation grants
- Midwest Mountaineering
- Friends of the Mill Towns Trail
- Dakota and Goodhue counties
- City of Cannon Falls
